SUPPORT & SERVICE

In FHM Equipment, we take good care of our valued customers by having a Service Department to provide excellent after-sales-service. With all our strong technical support team, we offer solutions for any technical problems you might encounter when dealing in your machines.

Our reconditioned heavy machinery do comes with WARRANTY to ensure solid and smooth productivity. Also, our service team can be contacted at +6017 273 3038 for assistance.

DIRECTOR'S MESSAGE

FHM Equipment is a major player in Reconditioned Heavy Machinery business. It is our belief and commitment that FHM Equipment will continuously strive to provide a one stop solution to meet our customers' needs. In additions, our business focus is not merely on selling products and making profits, we aim to increase efficiency for our customers as well. We are very carefully when comes to sourcing our product to attain a lower cost with better quality.

Mr Loh Lap Keong
Managing Director of FHM Equipment Sdn Bhd

FHM Equipment should be a Brand that people recognize instead of the Company name. We create a Brand where customers can rely on when comes to Heavy Machinery. Moving forward, buying a Reconditioned Heavy Machinery from FHM Equipment will be as good as getting a Brand New Machine considering its cost effectiveness and support services provided by our Support and Service Team.

Mr Tony Loh Sai Chuen
Director of FHM Equipment Sdn Bhd
